CONFIRMATION OF FUNDRAISING

To whom it may concern,

I am writing to confirm that Sue Grewcock and Kelly Wilson are registered to run the Virgin Money London Marathon 2018 in aid of MACS and request your support with their fundraising pursuits. Sue and Kelly are aiming to raise **£1350** and are planning to organise various fundraising activities for which they are seeking donations of money, goods or services.

MACS is a UK charity supporting children born without eyes or with underdeveloped eyes. Sadly, every year in the UK around 80 to 90 babies are born with a MACS eye condition and so we are continuing to experience an increased need for support.

Thanks to our generous and committed fundraisers, we are able to help by:

- enabling affected people to get together and share advice and support
- providing a range of essential resources and information services
- giving blind and visually impaired children access to activities which boost confidence and encourage independence
- supporting research investigating why children are born without eyes.

We would be grateful if you would consider supporting Sue and Kelly with their fundraising efforts. Please do not hesitate to contact me if you require any more information.

Please note that MACS takes no responsibility or liability for any activities or events that are organised in aid of the charity by the person named above, who does so at their own risk.

Yours faithfully,

Kaja Kosla
